

RETAIN ONLINE COMMUNITY

THE RETAIN ONLINE COMMUNITY (ROC) AT-A-GLANCE

Do you know your way around the ROC? Designed for state awardees of the Retaining Employment and Talent After Injury/Illness Network (RETAIN) Demonstration Project, the ROC is a virtual community featuring a range of technical assistance (TA) offerings.

Consider the ROC your gateway to tools and resources to help you optimize your RETAIN project. Here's a snapshot of what you'll find in the various sections, all of which you can access via the left-hand navigation bar of the ROC.

RETAIN TA Calendar

- A centralized snapshot of upcoming RETAIN TA offerings organized by date.

About RETAIN TA

- The team behind RETAIN TA, including staff from the Office of Disability Employment Policy (ODEP), Employment and Training Administration (ETA), American Institutes for Research (AIR), and Concepts, Inc.

ROC Topic Pages

- Your starting point for browsing everything RETAIN TA has to offer on key subjects (see following page to learn more).

RETAIN TA Blog

- Your gateway to relevant blog posts from a range of contributors, including stay-at-work/return-to-work subject matter experts, TA team members, state awardees, federal agency representatives, and others.

RETAIN Publications

- Archived issues of our bi-monthly e-newsletter, *The RETAIN Report*, and the bi-weekly *For Your Insight* e-blast.

Webcasts, Podcasts, and Live CoPs

- Your source for recordings of RETAIN TA's educational webinars, live CoP sessions, and podcasts on a range of topics.

Master Resource Library

- All RETAIN TA offerings organized by resource category.

Visit the ROC today at [RETAINTA.org](https://retainta.org)!

If you're a member or partner of a RETAIN state team and need access to the ROC, click "[REQUEST AN ACCOUNT](#)" in the right-hand sidebar.

ROC TOPIC PAGES: A CLOSER LOOK

The ROC's Topic Pages are your starting point for browsing a comprehensive list of RETAIN TA offerings on key subjects. You'll find tools, briefs, webinars, podcasts, and blogs in the following categories:

Operational Planning and Implementation

- Strategy guides on continuous quality improvement (CQI)
- Operational planning and implementation checklists
- Action briefs on return-to-work barriers and sample size targets
- Webinars, podcasts, and blogs related to program planning and implementation

Recruitment and Enrollment

- Sample scripting to use when talking about RETAIN
- Dashboards and tracking resources to support recruitment and enrollment analysis
- Issue briefs on recruiting and retaining RETAIN participants
- Webinars and podcasts on recruitment challenges and solutions

Collaborating with Partners and Stakeholders

- Resources and tips on working with RETAIN audiences
- Guidance on planning trainings for various audiences
- Educational webinars and podcasts on building relationships with employers, Vocational Rehabilitation, and other stakeholders

Communications and Branding

- RETAIN graphics, design templates, communications toolkits, and planning outlines
- Presentations and tools to help you promote your RETAIN project and communicate with target audiences about stay-at-work/return-to-work strategies

Measurement and Evaluation

- Tracking resources to support outreach and implementation analysis
- Educational offerings on data collection, CQI, and measurement

IT and Data Systems

- Sample data sharing agreements and software strategies
- Guides and resources on data system needs, gap analyses, and requirements gathering
- Webinars, podcasts, and blogs on data collection and other information technology topics
