Virtual Meeting/Conference Recording Notice

The American Institutes for Research (AIR) has enabled the recording of audio during the RETAIN Annual Convening. By joining a meeting, you automatically consent to such recordings. Audio recordings of any AIR session shall not be transmitted to an external third party without permission.

RETAIN | Retaining Employment and Talent After Injury/Illness Network

Day 1 Recap

- Decision making is complex and encouraging any behavior can be challenging and takes time and effort.

- Improving your web content can lead to more participants to your website and the RETAIN program.

- We heard from Minnesota, Kansas and Vermont on their state spotlights.

- Partnering with your workforce system can benefit RETAIN participants and enable sustainability.

- Process mapping can help improve processes by identifying ways to be more efficient and effective.
